IMPORTANT ROADWORKS INFORMATION

31 July 2024

School Hill & Spithurst Road, Barcombe

Dear Resident,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. As part of this, we will be carrying out drainage investigation works at School Hill and Spithurst Road, Barcombe.

When do they start?

Work will be carried out on **Friday 30 August 2024** between 9:30am and 4pm.

We will inform you of any changes to the dates or times via advanced warning signs on site.

What are we doing?

These works involve a CCTV survey of the underground drainage systems, as well as using high pressured water to clear any blockages.

How will this impact highway users?

The team will be working from the junction with School path continuing North East for approximately 385m.

Access to the road will be restricted for the duration of works. Traffic will be diverted via Spithurst Road, School Hill, High Street, Town Littleworth Road, Ridglands Lane, and vice versa.

If you need vehicle access, please discuss this with the team on site. Please bear in mind there will be delays whilst the area is made safe and your vehicle is escorted by site marshals. Access for emergency vehicles will be maintained at all times.

Information for residents and businesses

Parking: If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may experience a temporary disturbance as this can be a noisy process and those properties may experience flashing lights and reversing sirens.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network. Should you have any concerns regarding these works, you can contact us at eshcomms@balfourbeatty.com.
